	Cloud IT Limited	01833332907	apu@clouditbd.com	www.clouditbd.com	Quite simply: write code. However, unlike most software companies, we realize that's only part of the job. We don't just write code! We develop professional software. This is why our clients choose Cloud. Many companies can find programmers to generate code. However, few have the experience to produce professional quality software. Our ability to develop code is only the beginning of our capabilities. Being a custom firm, Cloud is able to provide our clients with a variety of services. A few of the services available from Cloud include, Micro Finance and Micro Insurance Software Solutions, Web Solutions, Information systems Software, ERP, CRM, HRM, Mobile applications, Consultancy, Graphics and Multimedia Solutions, Technical Documentation and Training Services	Dataghor.com
